Tagoury's House

*by Mohamed Eltagoury*

## Intro:

*Tagcury's House is a privately owned family business since 1910. Tagcury's House experienced a quick growth since then. Our company has managed to contribute greatly in the development of the furniture and flooring industry with its high standard products along with elegance style, innovation and quality. We have put a big effort and strived to exceed our customers expectations.*

*Our philosophy is to select well designed products to exacting standards both traditional and modern the result is high quality furniture for a long lifespan and offering excellence.*

*We use only the best European oak to create Original flooring.*

*We respect the natural variation in the wood; every tree is unique, and so are our products. Working and living on an Original floor will add your own signature, making it even more beautiful. It's why we describe Original floors as unique by nature.*

Flooring unique by nature:

## Bibliotheca Alexandrina.

*The Library of Alexandria was reborn in October 2002 to reclaim the mantle of its ancient namesake. It is not just an extraordinarily beautiful building; it is also a vast complex where the arts, history, philosophy, and science come together.*

## vintage:

*Truly unique...*

*The best benefit of vintage furniture is that you know you are getting something which is unique to your home. No two pieces of vintage furniture are exactly the same meaning your home is the only place to find an item which is as stunning and eye-catching as the one you have chosen.*

## Tagoury's concept :
