

Vintage

-Vintage furniture is truly unique
The best benefit of vintage furniture is that you know you are getting something which is unique to your home. No two pieces of vintage furniture are exactly the same, meaning your home is the only place to find an item which is as stunning and eye-catching as the one you have chosen.

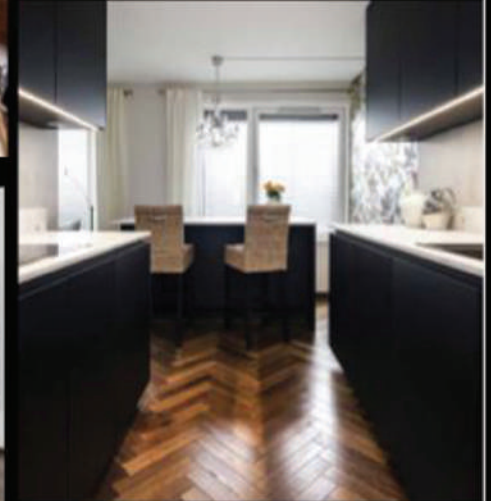

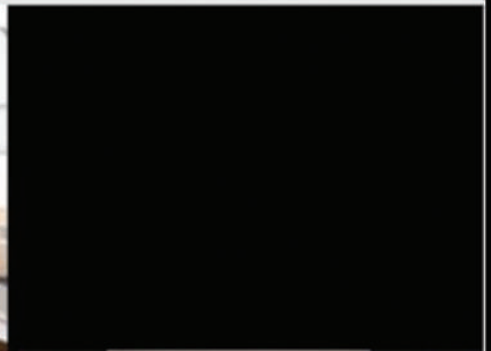

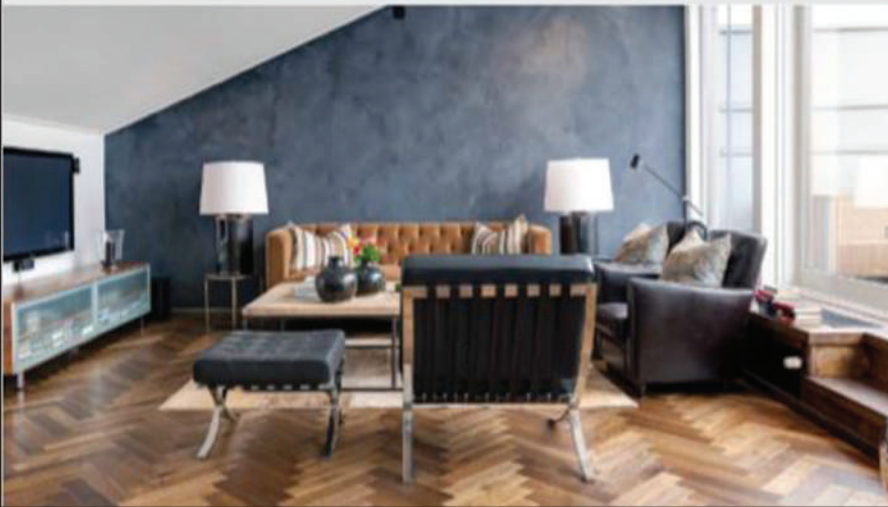

TAGOURY'S HOUSE
Furniture & Interior Since 1910

Since 1910

Tagoury's House is a privately owned family business, now in its third generation. Since then, Tagoury's House experienced a quick growth. Our company has managed to contribute greatly in the development of the furniture and flooring industry with its high standard products along with elegance style, innovation and quality. We have put a big effort and strived to exceed our customers expectations.

Our philosophy is to select well deigned products to exacting standards, both traditional and modern the result is high quality furniture for a long lifespan and offering excellence.

Mohamed El Tagoury

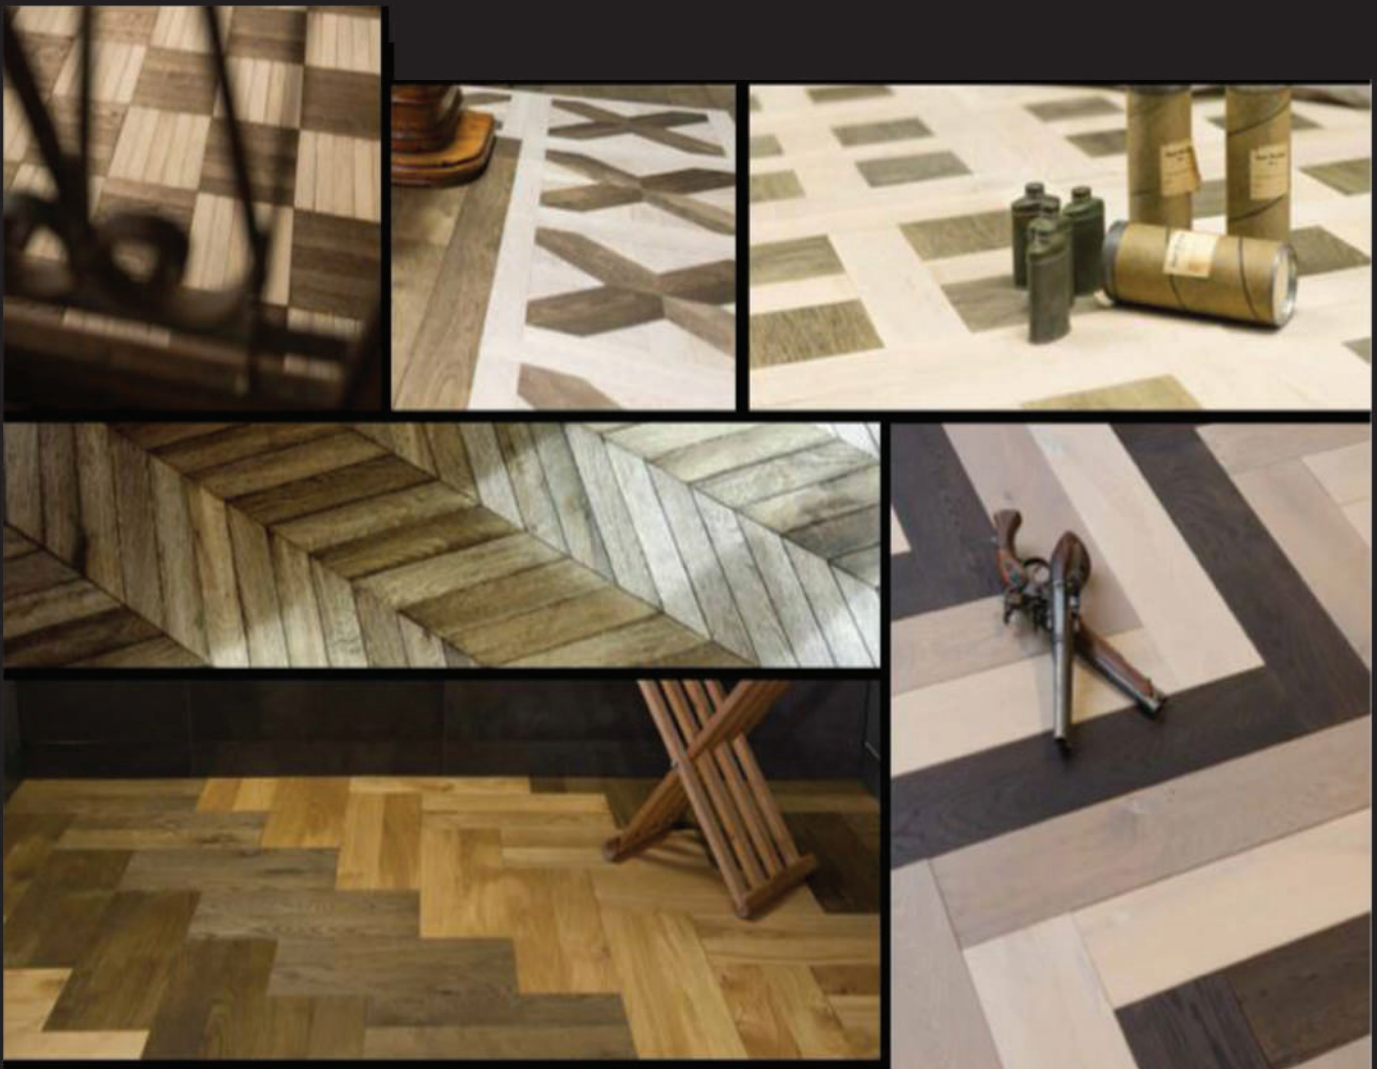

Flooring

The Tagoury's house parquet story is one of a distinctive natural product, manufactured in a way that is environmentally friendly.

Only the best European oak is used. The entire production process is done in-house, from raw timber to the finished product. Every single plank is finished by hand.

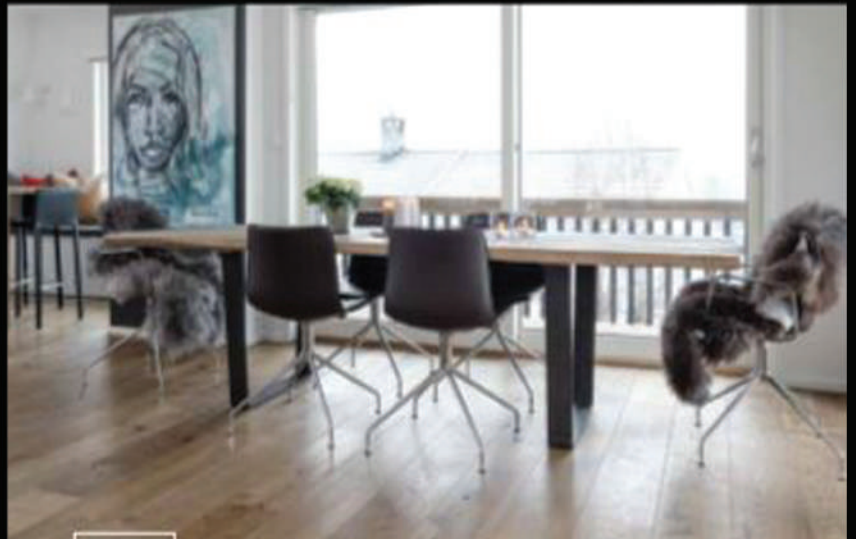

Flooring unique by nature

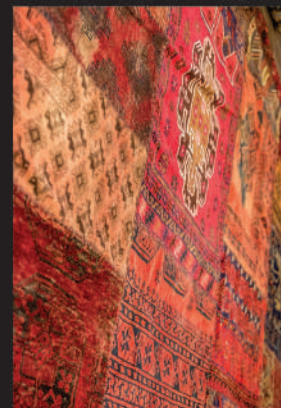

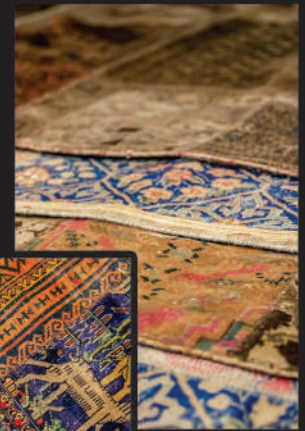

NATURAL IDENTITY We use only the best European oak to create Original flooring. We respect the natural variation in the wood; every tree is unique, and so are our products. Working and living on an Original floor will add your own signature, making it even more beautiful. It's why we describe Original floors as unique by nature.

A flooring solution

that works as hard as it is beautiful. Something that will withstand the drum of hundreds of feet crossing it every day.

Carpets

-Hand-made rugs made in IRAN

The Tagoury's house elegant selection of hand-made rugs with an extensive set of unique, striking colors, iconic, and spectacular designs. With our fine collection of hand-stitched rugs, we will help you finish off an interior environment in style.. Just a single piece of every rug..

-Cowhide rug

- Extremely versatile

Cowhide rugs are not only suitable for the floor but they can also be hung on the wall. A guest can enjoy a full view of nature's tapestry when it is hung up or framed. Since cowhides come in a variety of colors, both natural and solid dyed

-Hypo-allergenic

Most quality cowhide rugs are hypo-allergenic and fragrance free. No need to be constantly vacuuming or clearing the air in order to breathe freely and peacefully.

-Easy maintenance

To clean your cowhide rugs, simply vacuum or shake to remove dust and loose debris. Brushing with a hard plastic brush helps keep the hair soft and fluffy and helps remove dirt

-Long lasting

Cowhide rugs are extremely durable since they are made of leather. Owners are often able to enjoy their rugs for a lifetime with just some simple care. Cowhide rugs are able to maintain their soft and pliable feel making them very soothing for the feet.

Vintage

-The Tagoury's house makes you travel to the mid-century modern.

Retrieve the architecture, furniture, and graphic design from the middle of the 20th century.

All Natural wood and fabrics are designed with specific techniques to live in this environment

Vintage

You can create contrast

You might think that the option of vintage furniture is off the table unless your home itself is old and grand, but this simply isn't the case. Contrast is always a good thing when it comes to interior design, because it makes people sit up and take notice of the effort you've put into decorating your home. So even the most contemporary space can benefit from a touch of something more traditional.

Lighting

lighting can range from basic to bold, and dimmed to dramatic. No matter what, lighting is a key player in your bedroom design.
